NEW CUSTOMERS

We offer immediate open account convenience to jewelers and watchmakers rated 1 or 2 in the Jewelers Board of Trade or Dun and Bradstreet. A credit application is still required for our files. For non-rated customers a credit application needs to be submitted and approved. In addition, we accept Visa or MasterCard or will ship orders by UPS-COD cash. Catalog prices are subject to change.

BACKORDERS

For regular customers we will back order items that you order but which are temporarily out of stock. Should you not wish us to back order please indicate this when ordering. We maintain stock of all items in this catalog. Should we be out of stock this usually means that the item is already on order and is due in shortly. We do not back order items for COD customers. If you order from us on a regular basis, most back ordered items that have come in recently are included with your order. This saves you time in checking in and on extra shipping charges. Otherwise, back-ordered items sent separately are subject to our regular shipping charges except small, lower value items that fit in our blue-line first-class envelope. These are mailed with no charge for postage.

SHIPPING OPTIONS

Without special instructions we will ship by the most reasonable method given the item's value, size, & weight, and delivery time. Below are listed the services we offer.

- FedEx Priority (next morning*),
- FedEx Standard (next day afternoon*),
- FedEx Second Day*

Customers in zones 5-6-7 from Kansas City will be shipped Fed Ex Second Day for approx. the same cost as UPS Ground Service. *Remote areas may take longer and cost more.

We greatly appreciate all orders and will do our best to merit your long-term business.
